

Addressing Cancer Health Disparities in Appalachia

This Research Seminar aims to increase understanding of cancer health disparities in Appalachia. It is designed for researchers, community leaders, cancer control advocates and public health professionals.

Friday, September 25, 9 a.m. – 3 p.m.
Hershey Lodge
West Chocolate Avenue & University Drive
Hershey, PA 17033-0446
(717) 533-3311

Topics to be covered include cancer prevention and control in Northern Appalachia through interventions in partnership with rural primary care practices, health educators, minorities and food pantries focused on breast, cervical, colon cancer, chew tobacco and clinical trials.

The seminar will include presentations from:

Eugene J. Lengerich, V.M.D., M.S.
Brenda Kluhsman, Ph.D., M.S.S.
Roxanne Parrott, Ph.D.
Oralia Garcia Dominic, Ph.D., M.S., M.A.
Betsy Aumiller, D.Ed.

and

Northern Appalachia Cancer Network Coalitions

**There is no registration fee to attend. Space is limited,
so you must register by August 23rd.**
Registration and more information can be found at www.acnweb.com.

Funding for this conference was made possible (in part) by 3R24MD002785-01S1 from the National Center on Minority Health and Health Disparities (PI, E. Paskett, The Ohio State University).
